**PROGRAM AND ACTIVITY
CALENDAR**

DISCLAIMER

The annual program calendar was assembled by some of the smart folks of the TLWC in November of this past year at El Chicos. We appreciate the 4 hours of coordination and cooperation that have brought us the results in this a full calendar of programs to keep it interesting.

Our crystal ball is not clear so as we move forward through the program schedule, we may have a delay or change due to unforeseen things that can foul this up.

We know you will understand if we must depart from a specific program due to those unexpected happenings.
